

HOFFMAN & WOLK ORTHODONTICS

"ALL ABOARD THE KIDS ON TRACK TRAIN"

Super smiles start young! As you know, it's never too early to start kids on the way to a future full of smiles!

These programs are designed to begin a special observation process for our patients beginning as early as seven years of age and get them excited about healthy smiles. Pre- Orthodontic Guidance offers many benefits including enabling us to monitor a child's development with periodic six-month examinations at no charge, allowing us to intercept any abnormalities at an early age and minimizes extensive and lengthy treatment at a later age.

And now, to offer our young patients an active role in their smile development, we are pleased to offer our new "KIDS ON TRACK" program designed especially for our wonderful young patients. So how does it work?

- Bring in your "ticket to ride the KIDS ON TRACK train" card.
- Bring your card with you to every appointment
- Win a reward like "movie passes" and "yummy eats coupons"
- Get entered in our "Prize Draw" happening every six months for your chance to win a Bike, an IPOD or portable DVD player!

The best part? By just being our patient, you are automatically enrolled in our "KIDS ON TRACK" program.

So put your ticket someplace special
and remember to bring it with you to every appointment.

It's worth it!

Get your rewards and your chance to win big prizes! Big prizes because we're our patients biggest fans!

We're so glad you're our patient and we're excited to offer you this new chance at great rewards and prizes for
simply taking care of your smile.

If you or your parents have any questions about this program,
please call us at 403-286-2402.

WELCOME ABOARD!

It's going to be a great ride to your great smile!

Sincerely,

Dr. Barry Hoffman, Dr. Ron Wolk and Team
